Applicants filed an Amendment After Final Rejection on February 4, 2004. On page 12 of that Amendment, Applicants explained why the finality of the current Office Action is improper and should be withdrawn.

Applicants have now received an Advisory Action indicating that the Amendment After Final Rejection will not be entered. However, the Advisory Action does not address Applicants' assertion that the finality is improper. Applicants continue to assert that the Amendment After Final Rejection should be entered because the finality is improper.

Accordingly, Applicants respectfully request reconsideration of the decision not to enter the Amendment After Final Rejection.

Respectfully submitted,

James A. Oliff
